Weddings at The Mill Forge

The Mill Forge has a unique ceremony venue which has an open timber roof, soft candlelight, and a wonderfully romantic atmosphere. Ceremonies take place over the anvil and can be conducted by either a local minister or a registrar.

Once married you can take a stroll around the manicured gardens where a professional photographer can capture your forever memories before you move onto your wedding reception.

Whether your wedding breakfast is small and intimate with just the two of you, or a larger family occasion. The Mill Forge offers three wedding reception venues within the ancient, converted mill building.

Have your wedding meal at The Mill Forge and you and your guests can enjoy our varied menus, which suit all tastes whilst still offering excellent value for money. Parties are granted use of one of our individual function rooms for a 3 hour period. After this everyone is welcome to relax in our bar or beer garden.

The relaxing beamed surroundings of the well-stocked bar offers a selection of whiskies, wines & other drinks to help you celebrate. A beer garden where drinks may be served is also available enabling you to unwind amidst the quiet rural setting overlooking the idyllic countryside.

On selected evenings we provide a free house disco, which all wedding parties present on the day are welcome to enjoy together.

Whether you are with family and friends or are a couple alone, you can be sure our wedding team will be on hand to guide you through the day.
